School Wide Mission & PBIS Expectations

The vision of William McKinley is to be a neighborhood school where students learn to think critically, challenge systems, and advocate for the rights of all people including those who look different than themselves.

Our Positive Behavior and Intervention Support System (PBIS) at McKinley Elementary has the following expectations addressed daily throughout our building which are also our NORMS:

The 3 R's--
Be Ready
Be Respectful
Be Responsible

Bathroom Procedures

1st -4th grade teachers are expected to have two designated whole class bathroom breaks during the school day. One class bathroom break time needs to be assigned in the morning and one in the afternoon. This is a great opportunity for students to practice time management.

In addition, Kindergarten students have bathrooms located within their classrooms. Students in grades 5–8 should use the buddy system with a hall pass and sign out and sign back in on the classroom bathroom log sheet.

In case of emergencies/medical necessity, two students should be sent to the bathroom in a buddy system with a hall pass and must sign out and sign in upon their return on the classroom bathroom log sheet. This is also a great opportunity for students to learn how to manage their own behavior outside of direct adult supervision, practicing the discipline to return promptly to their learning.
